

MDD

RESEARCH
STUDY

Are you one of the millions of Americans suffering from Major Depressive Disorder, or MDD?

If so, you may be eligible to participate in a research study of an investigational medication for MDD.

Qualified participants must:

- be between 18 and 75 years of age,
- be currently experiencing a major depressive episode, and
- meet additional study criteria.

Participants will receive all study-related care and study medication at no cost.

Health insurance is not required.
